ANNEX 1 – CLARIFICATIONS AND ADDENDA

No.	Reference	Request for clarification	Tender Committee's response
1	General	Can a foreign Bidder appoint a local representative?	Yes. Foreign Bidder can appoint a local representative and state his details as contact person under Annex 4.
2	General	Can a foreign manufacturer that appointed a local representative request that the payment by Clalit be made to his local representative?	In general, and to the extent that this does not prejudice Clalit's rights, Clalit will not object if a Winning Bidder, who is a foreign manufacturer, request in writing that payments by Clalit according to the Agreement be made to his local representative, and will act upon such request.
3	RFP, section 2.4	Can a manufacturer's local representative rely on manufacturer's sales turnover?	No. The Required Sales Turnover must be of the Bidder. If the manufacturer is not the Bidder, it is not possible to rely on the manufacturer's sales turnover.
4	RFP, section 2.4	Is it possible to submit a proposal to a Products Group if the Bidder does not meet the Required Sales Turnover for that Group?	No.
5	RFP, section 2.4	Can a new company submit a Proposal?	No. New company cannot present the required sales turnover.
6	Annex 1 (Technical Specifications)	Microwave heating pad - Is the Standards Institute approval required in addition to the approval of AMAR?	For microwave heating pad - AMAR approval will suffice.
7	Annex 1 (Technical Specifications)	Digital weight - what are the required certificates?	For digital weight - Approval from the weights unit [היחידה למשקולות] at the Ministry of Trade and Industry will suffice.
8		Stretch gauze bandage - Is Stretch gauze bandage similar to PBT bandages?	Yes.
9		Band-Aid – the standard size is 72mm X 19mm, can we offer this size?	Yes.
10		First aid kit - What is the content of the kit? What kind of packing is	First aid kit - contents and packing are listed in the technical specification (Annex 1). The
